

Robin Hayes, RN, CDP

Senior Vice President of
Clinical Operations

Robin Hayes, RN, CDP is Senior Vice President of Clinical Operations for ML Healthcare where she provides clinical leadership to our local clinical professionals in meeting our commitment to DELIVER exceptional results and being the provider of choice in each community we are honored to serve.

Robin serves as the chair of their nurse council of the Texas Health Care Association and is an avid supporter and voice in Texas for long term care nurse aides and nurses.

ML Healthcare

Robin has over 30 years of experience in long-term care in various management, clinical and operational roles. Prior to joining ML, she was with a Texas regional long-term care provider where she was the senior vice president of clinical services for a division of the corporation, and added additional oversight to the operations of skilled nursing communities. In addition, Robin has held the vice president of clinical position role in another long-term care Texas based company providing clinical management and support to over 40 long term care nursing facilities and assisted living centers.

With more than 30 years of healthcare experience, Robin's objective is to DELIVER progressive skilled nursing and management care which led her to become a certified dementia care practitioner and Tai Chi certification. Robin's goal is to grow and develop our local clinical leaders to be the best clinical professionals in the industry.
