Laura Miller has served the post-acute industry for over 28 years. She began her career as an Administrator in a skilled nursing facility, and later spent over 16 years with a large Texas based post-acute provider as an Administrator and ultimately as the Senior Vice President of Operations. Laura also operated as the Chief Operating Officer of a post-acute care company in Texas with responsibility to oversee the 25 skilled nursing facilities they operated, including 5 Veterans homes and other ancillary services.

Laura is known for her hands-on leadership style, strong organization skills, proven ability to develop team members through training and education, teamwork promotion, and a long-held personal belief in creating an environment conducive to retaining great leaders.
