

# Cindy Peters, LLB

Vice President of Development  
and Strategic Alliances

---

Cindy Peters oversees development and partnership strategies with Hospitals, Physicians, MCO's and state healthcare organizations for ML Healthcare.

## **ML** Healthcare

Cindy has dedicated more than twenty (20) years to the post-acute industry and was recently the Vice President of Development and Managed Care for Transition Home Healthcare, the home health branch of ML Healthcare.

Having worked extensively in the post-acute industry operating as the market and strategic development leader of home health, skilled nursing, long-term acute care and rehabilitation services, Cindy specializes in bringing market solutions and collaborative partnerships to the post-acute providers.

Cindy believes that by working with each other towards value driven quality of care goals, we will create a greater impact in the population we serve in our communities.
